RESEARCH POSITIONS

Graduate Research Assistant

Robert Ridge, Ph.D., 2014 – 2018

Brian Woodside, Ph.D., 2013 – 2014

RESEARCH INTERESTS

My interests lie within the realm of social psychology, particularly in exploring the effect of violent media on subsequent affective, cognitive, and behavioral aggression and prosocial behavior, especially regarding the effects of violent video games. I have a secondary interest in understanding how players and non-players of video games think about video games.

PUBLICATIONS

Ridge, R. D., Dresden, B. E., Farley, F., & **Hawk, C. E.** (2017). Mixed messages, mixed outcomes: The effects of reconciliation and retaliation story endings on aggression. *Journal of Aggression, Conflict and Peace Research*, 9(3), 220-229.
